PURSUITLEDGER - FICTIONAL SAMPLE

Fictional procurement PL-SAMPLE-MONTHLY-002. Example Office (fictional). This is an illustrative sample, not a real government opportunity.

Commercial janitorial services at one fictional office in Washington, DC. Offers are due October 30, 2026 at 2:00 p.m. Eastern Time. There is no mandatory site visit.

Contract term: January 1 through December 31, 2027, twelve months. No options are included. The contract is firm-fixed-price. The government planning estimate is $10,000 per month, not guaranteed revenue or a required bid price.

The cleanable floor area is exactly 30,000 square feet. Perform exactly 20 full-facility cleaning visits per month in each month. Every visit covers the entire cleanable floor area. The monthly count is explicit; do not derive it from a weekly schedule.

Tasks: vacuuming, trash removal, restroom sanitation and touchpoint cleaning. The contractor supplies all labor, equipment and consumables. The source does not prescribe monthly labor hours or crew size.

Invoice monthly in arrears, net 30 days after acceptance. Insurance is $1,000,000 commercial general liability per occurrence. Wage and fringe requirements and material costs must be confirmed before a binding price is submitted.
